Arizona Department of Transportation

Are you faced with the challenge of completing Certified Payrolls correctly?

Do you need to move from the position of submitting revised payrolls time after time to submitting accurate payrolls the first time?

Are you frustrated by your level of knowledge concerning Certified Payroll Reporting?

Our Certified Payroll Workshop and Workbook are packed with a wealth of knowledge, skills and resources.

Your staff will be given the tools they need and will learn what it takes to improve their effectiveness and productivity in performing this vital task.

*This workshop
is open to
all personnel
regardless of their
management level!*

Instruction will cover:

- The Davis-Bacon Act
- Federal Aid Contracts
- 29 CFR
- Certified Payroll Entry
- Weekly Statement of Compliance
- Subcontractor Request Forms (SRF)
- FHWA 1273
- Apprentice Certificates and more!

*This workshop is offered to you
absolutely **FREE OF CHARGE!**
That is how strongly we are
dedicated to your success!*

**We have
the tools
for flawless
Certified
Payroll
Reporting!**

Identify methods for mapping cost-effective practices for Certified Payroll Reporting by gaining the knowledge and skills of:

- **Governing Law- The Why?**
- **Implementation- The How?**
- **Issues and Resolutions**

Participant materials and focused training will provide ongoing reinforcement and valuable reference points during and after the workshop.

Who benefits from this Workshop?

- **Prime Contractors**
- **Subcontractors**
- **Field Offices**

A recent survey shows our Workshop provides opportunities for interactive participation and networking with others who perform this same unique task.

Dollars are being withheld from the primes' monthly payments for payroll errors being made on Certified Payrolls.
